Under the project planning section, we have spent \$1774/\$4448 (budgeted). We have spent a little more this month with the H&S plan and may use a little more refreshing ourselves with the ROD and UAO prior to reviewing some of the design documents. But all in all, we'll probably use 50% of the total budgeted. Budget left over \$2224.

We spent \$2897/\$6077 (budgeted) for reviewing the RD Work Plan. Budget left over \$3180.

We have \$3449 budgeted for the field for 4 days. So you could double that to get an idea for 8 days (\$6900) or 2 1/2x for 10 days (\$8622).

Let me know what you want to do in case I need to schedule some additional field time.

\$ 2224  
3180.  
\$ 5304 extra
